PREACHER ASSAILS DEFENDER OF REDS

"Cloth Besmirched and Pulpit Defiled by Champion of Radicalism."

NEW YORK, Jan. 6-Declaring that the Rev. Dr. Percy Stickney Grant had besmirched his cloth and befouled his pulpit when he likened the deported Russian anarchists to the pious Pilgrim Fathers, the Rev. Dr. Gustav A. Carstensen, another clergyman of the same faith, raised his voice yesterday in protest.

Dr. Carstensen's remarks were made to his congregation at the Holy Rood Protestant Episcopal Church in the

Protestant Episcopal Church in the course of his morning sermon.

"A very clever and distinguished preacher who would disown the priestly office conferred upon him, has recently brought discredit upon himself by likening the deported anarchists to the Pilgrime Fathers," said the Rev. Dr. Carstensen.

"I have hoped in vain for sema word of protest or rebuke from his ecclesiastical superiors, or from the

ecclesiastical superiors, or from the oulpit or press of the church which he compromises. If no voice proceeds from higher quarters the rector of Holy Rood may no longer hold his

peace.

"I express but feebly the shame and indignation of all law abiding and liberty loving churchmen and Christiahs that a duly accredited minister of Christ should so besmirch Historess and befoul His pulpit.

"Berkman and Goldman, with their poisonous tongues and blood guity nands, are classed by Mr. Grant with Irewster and Bradford, of clean lands and pure hearts and heroic souls. The Pilgrim fathers were Godearing men of faith and courage who stood for loyalty to God and service earing men of faith and courage who stood for loyalty to God and service o humanity. The unwilling passen cers on the shilp which sailed under ealed orders from New York in De-ember, 1919, were idlers, slackers, suffians, blasphemers."
